REMARKS: Confirming my telephone call to [redacted], will you please prepare a neatly sanitized version of [redacted] of 28 December (the memo for [redacted] on shipping through Sihanoukville and NVN ports) as requested in the attached communication from the Chief of Naval Operations. 25X1A

Prepare also a transmittal memorandum for Mr. Cline's signature addressed to the Chief of Naval Operations (through Director of Naval Intelligence), with a carbon copy to the Director, DIA. Internal dissemination should include the DDI, DDCI, and DCI.

Since not too much work appears to be involved, I would appreciate this being done well ahead of CNO's deadline, say by 12 or 13 January.
